How do I view my results?

- x Log in to <https://messiah.campuslabs.com/faculty> using your Messiah credentials.
- x You will see your list of evaluated courses.
- x Click on the button that says "View Results" for the course you wish to review. (The "View Results" button is only available after the evaluation window has closed and results have been released.)

On the Summative page in [\\$ Q W K R O R J \](#), the [Teach](#) and [Excellent](#) Course scores seem to be combined.

What is the Formative Feedback Section?

Formative feedback enables instructors to gain additional insight into student feedback and use it to inform teaching practice. This section includes direct links to 6 W X G H Q W & R X Novels, (Y D O X D W) which contain information about why certain methodologies matter, ideas for how to implement a methodology in both face-to-face as well as online classrooms, and ways to assess teaching methods.

For additional information on interpreting the numbers, please view these informative videos on [adjusted](#) and [converted](#) scores.
